

Federal Section 5310

Enhanced Mobility of Seniors and
Individuals with Disabilities

Greater Hickory MPO

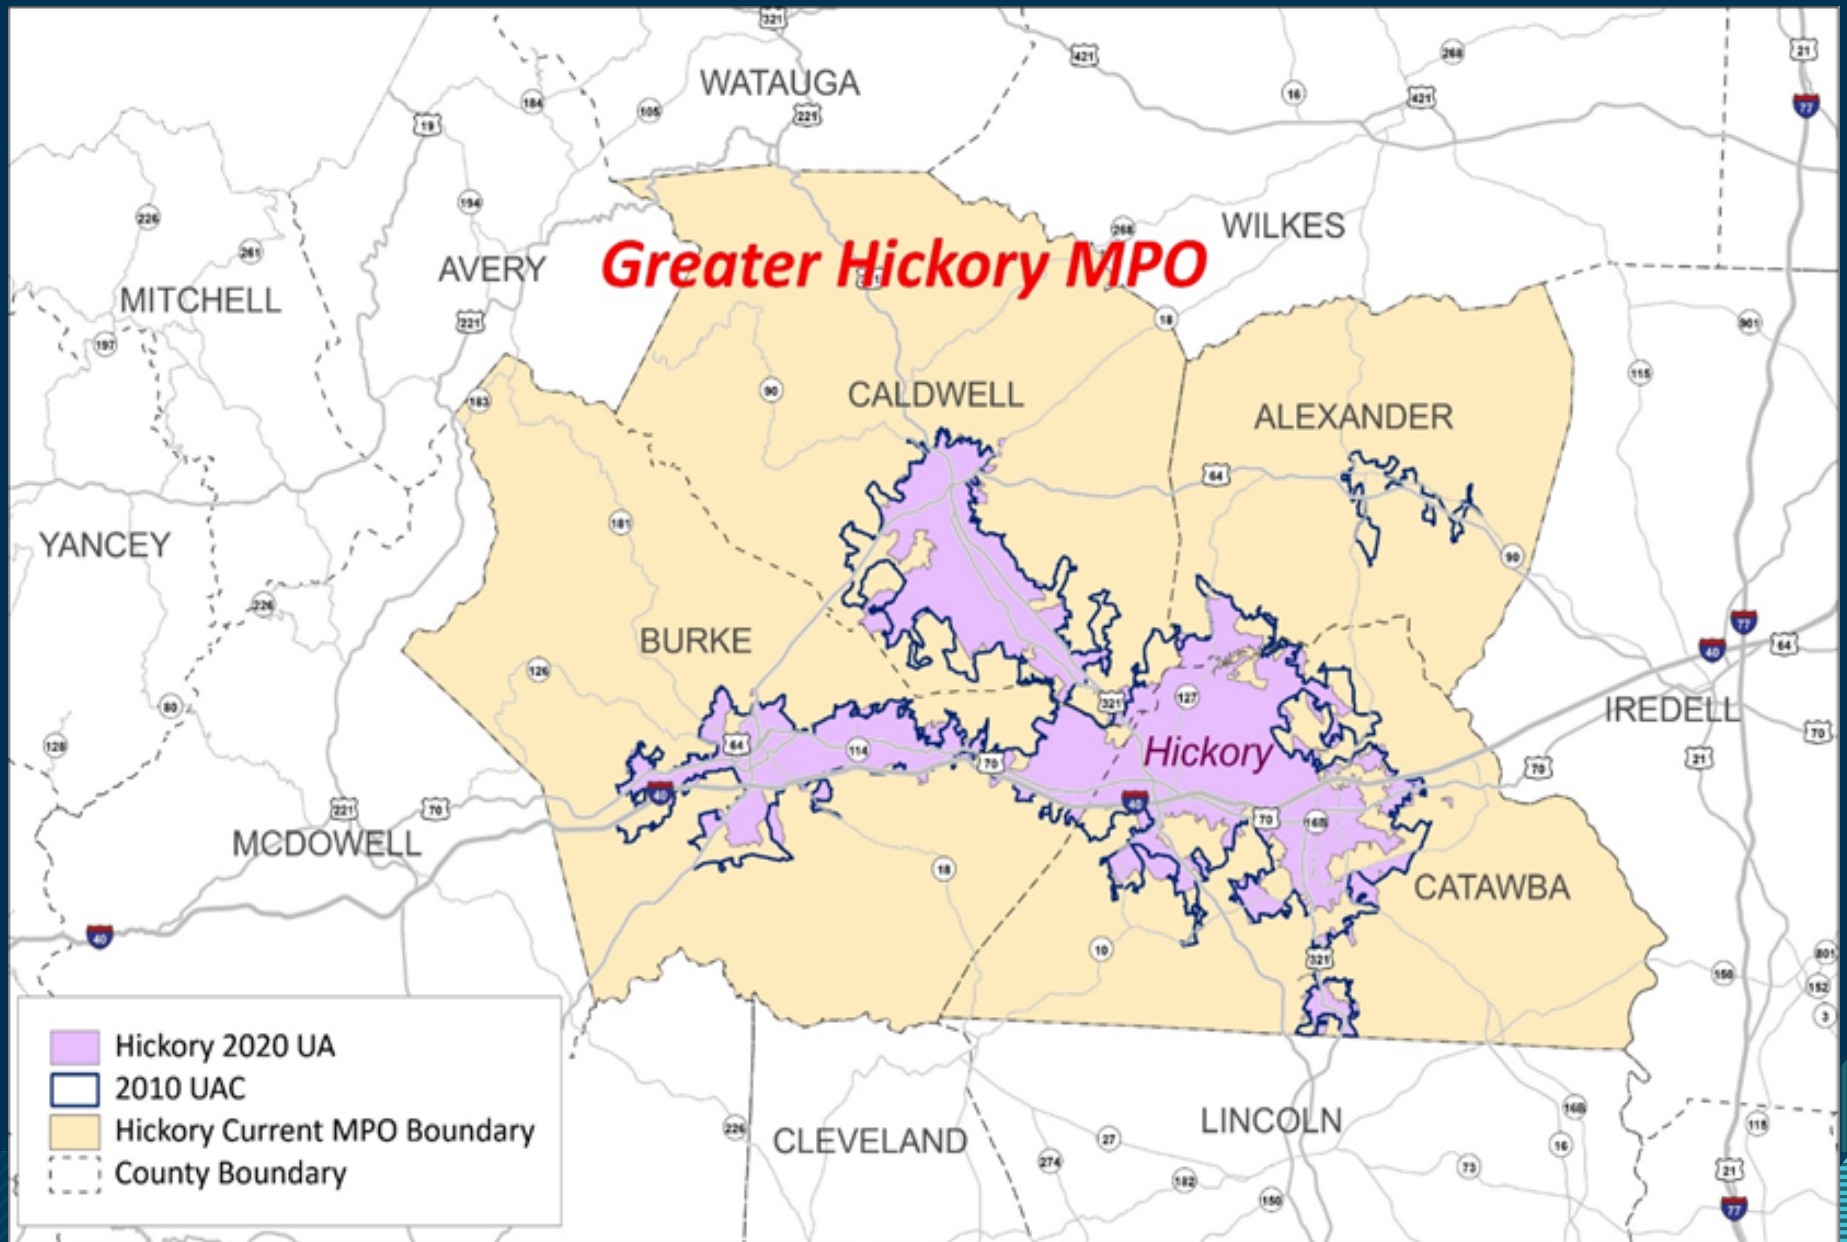

Greater Hickory Metropolitan Planning Organization

Greater Hickory Metropolitan Planning Organization

- The Metropolitan Planning Process (MPO) process is required in urbanized areas over 50,000 in population in order to receive federal funding for transportation.
- The MPO process is a partnership between local and state government to make decisions about transportation planning in urbanized areas and to meet planning requirements established by federal authorizing legislation for transportation funding.

WPCOG/GHMPO Membership

Western Piedmont Regional Transit Authority

- As the designated recipient of the 5310 grant program, WPRTA has legal authority to enter into contractual agreement with private, nonprofit and public entities for capital, administrative, operations, planning and technical assistance projects on behalf of the state.

The background features a dark teal color with several overlapping geometric shapes. In the top-left and bottom-right corners, there are triangles filled with a light blue horizontal line pattern. A large, solid teal triangle is positioned on the right side, pointing downwards. The overall composition is modern and minimalist.
