Sec. 9-1031. - Issue of complaint; hearing; determination of unfit dwelling; abatement procedure.

- (a) Whenever a petition is filed with the code official by a public authority or by at least five (5) residents of the Town charging that any dwelling or dwelling unit is unfit for human habitation, or whenever it appears to the official that any dwelling or dwelling unit is unfit for human habitation, the code official shall, if the preliminary investigation discloses a basis for such charges, issue and cause to be served upon the owner of and parties in interest in such dwelling or dwelling unit a complaint stating the charges and containing a notice that a hearing will be held before the official, at a place within the county, not less than ten (10) nor more than thirty (30) days after the serving of the complaint. - (3) If a house has been closed and/or boarded, for a period of one year or longer, after being closed following proceedings under the substandard housing regulations and Town Board of Alderman determines that the owner has abandoned the intent and purpose to render it fit for human habitation and that continuation of the dwelling in its vacated and closed status would be inimical to the health, safety, morals and welfare of the community in that the dwelling would continue to deteriorate, would create a fire and safety hazard, would be a threat to children and vagrants, would cause or contribute to blight and deterioration of property values in the area, then in such circumstances, the Town Board of Alderman may, after the expiration of such one year period, enact an ordinance and serve such ordinance on the owner, setting forth the following:
 - a. If it is determined that the repair of the dwelling to render it fit for human habitation can be made at a cost not exceeding fifty (50) percent of the then current value of the dwelling, the ordinance shall require that the owner either repair or demolish and remove the dwelling within ninety (90) days; or,

Occupation of a building so posted shall constitute a misdemeanor.
- (e) If the owner fails to comply with an order to remove or demolish the dwelling, the official may cause such dwelling to be removed or demolished; provided, however, that the powers of the official set forth in subsection (d) and this subsection shall not be exercised until the Town Board of Alderman has, by ordinance, ordered the official to proceed to effectuate the purpose of this article with respect to the particular property or properties, which the official has found to be unfit for human habitation and which shall be described in the ordinance. No such ordinance shall be adopted to require demolition of a dwelling until the owner has first been given a reasonable opportunity to bring it into conformity with the housing code. Such ordinance shall be recorded in the office of the register of deeds of the county and shall be indexed in the name of the property owner in the grantor index.
- (f) The amount of the cost of such repairs, alterations or improvements, or vacating and closing, or removal or demolition by the official, shall be a lien against the real property upon which the cost was incurred, which lien shall be filed, have the same priority, and be collected as the lien for special assessment provided in G.S. § Ch. 160A, art. 10. If the dwelling is removed or demolished by the official, he shall sell the materials of such dwelling, any personal property, fixtures or appurtenances found in or attached to the dwelling, and shall credit the

The action to vacate the dwelling shall be in the nature of summary ejectment and shall be commenced by filing a complaint naming as parties-defendant any person occupying such dwelling. The clerk of superior court shall issue a summons requiring the defendant to appear before a magistrate at a certain time, date and place not to exceed ten (10) days from the issuance of the summons to answer the complaint. The summons and complaint shall be served as provided in G.S. § 42-29. The summons shall be returned according to its tenor, and if on its return it appears to have been duly served, and if at the hearing the public official produces a certified copy of an ordinance adopted by the governing body pursuant to subdivision (e), authorizing the official to proceed to vacate the occupied dwelling, the magistrate shall enter judgment ordering that the premises be vacated and that all persons be removed. The judgment ordering that the dwelling be vacated shall be enforced in the same manner as the judgment for summary ejectment entered under G.S. § 42-30. An appeal from any judgment entered hereunder by the magistrate may be taken as provided in G.S. § 7A-228, and the execution of such judgment may be stayed as provided in G.S. 7A-227. An action to remove an occupant of a dwelling who is a tenant of the owner may not be in the nature of a summary ejectment proceeding pursuant to this paragraph unless such occupant was served with notice at least thirty (30) days before the filing of the summary ejectment proceeding that the governing body has ordered the public official to proceed to exercise duties under paragraphs (d) and (e) of this section to vacate and close or remove and demolish the dwelling.
